

ARB WINCH 10,000LB + 12,000LB

| | |
|----------------|--|
| Date | January 2026 |
| Description | ARB Winch |
| Part No. | See table |
| RRP EU Ex. VAT | 1.450,00 EUR (ARW100SA) 1.550,00 EUR (ARW120SA) |
| Availability | TBA (accepting pre-orders) |

OVERVIEW

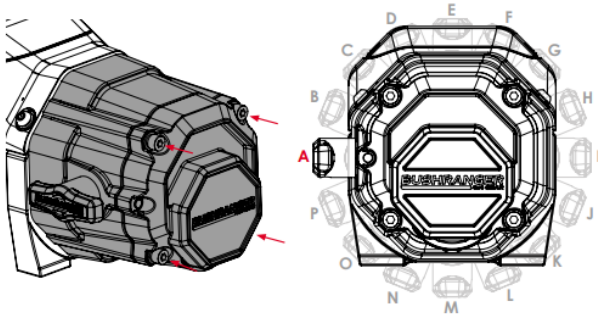

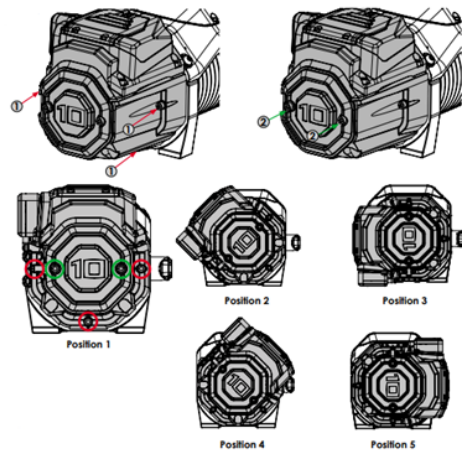

The first **ARB Winch** marks a new era in recovery, blending precision engineering with modern vehicle integration. Its innovative built-in control unit enhances motor efficiency, while the four-stage gearbox delivers maximum strength and endurance. Designed for today's bumpers, it eliminates the traditional control box, providing a sleek fit that preserves airflow and sensor functionality while reducing fitting time. Purpose-built for balanced strength, functionality, and refined design, it integrates seamlessly and is ready for any terrain.

| | ARB 10,000LB WINCH | ARB 12,000LB WINCH |
|----------------------|---|---------------------------|
| Rated Line Pull | 10,000 lbs 4,536kg | 12,000 lbs 5,443kg |
| Rope | 10mm x 28m Grey Synthetic | 11mm x 24m Grey Synthetic |
| Fairlead | Forged 6061 Aluminium Hawse Fairlead | |
| Fitted Weight | 73.5lb 33.3kg | 76lb 34.5kg |
| Max. Line Speed | 60ft/min 18.5m/min | 65ft/min 20m/min |
| Motor | 4.0kW 5.3HP | 4.3kW 5.7HP |

| Brake | Gearbox Mounted 100% Load Holding Proportional Friction Brake | |
| Gearbox | 171:1 2-Stage Planetary and 2-Stage Spur | |
| Waterproof Ratings | IP68 Winch Motor & Gearbox | |

FEATURES AND BENEFITS

- BUILT-IN MOTOR CONTROL UNIT
- ZERO DRAG BRAKING SYSTEM
- POWER ISOLATION SWITCH INCLUDED IN THE BOX
- ALL-IN-ONE EASY TO FIT BOX
- ROTATABLE GEARBOX (16 POSITIONS IN 22.5° INCREMENTS) – image A
- ROTATABLE MOTOR (5 POSITIONS IN 45° INCREMENTS) – image B
- 10,000LB / 12,000LB
- TUNED 12V MOTOR: FASTER LINE SPEEDS WITH LOWER CURRENT DRAW
- ALUMINIUM ALLOY HOUSINGS FOR MAXIMUM DURABILITY
- DUAL CONNECTION REMOTE INCLUDED IN THE BOX
- QUICK AND EASY FITMENT (1.25 HOURS)
- 4 STAGE GEARBOX

A

B

TUNED 12V MOTOR

A purpose-built series-wound motor powers the four-stage gearbox, delivering faster line speeds with lower current draw.

BUILT-IN MOTOR CONTROL UNIT

The advanced design features a direct connection Albright contactor that boosts motor efficiency and eliminates the need for a conventional control box.

ZERO DRAG BRAKING SYSTEM

The gearbox-mounted brake provides 100% load holding and allows powered unspooling under no load without causing any damage to the winch.

4 STAGE GEARBOX

Hardened steel gearsets are engineered for maximum strength, optimal load distribution, and long-lasting durability.

MAIN POWER ISOLATION SWITCH

The ARB Winch features a main power isolation switch **included in the box**, allowing you to safely cut power to the winch when not in use.

ROBUST BUILD QUALITY

The lightweight aluminium alloy housings are engineered for maximum strength and durability.

DUAL CONNECTION WIRELESS REMOTE

Compact hand controller with options for wired connection with a 5m/16ft lead or wireless operation with a 40m/98ft range – **included in the box**.

QUICK AND EASY FITMENT

With multiple mounting options, the ARB Winch comes prewired and features preset gearbox positioning to fit most common vehicles.

PART NUMBERS

| Part No. | Description | Barcode | Fitting Time |
|----------|------------------------------|---------------|--------------|
| ARW100SA | ARB Winch 10,000LB Synthetic | 9322046501596 | 1.25hrs |
| ARW120SA | ARB Winch 12,000LB Synthetic | 9322046501602 | 1.25hrs |

SPARE PARTS

| Part No. | Description |
|----------|--|
| ARWA004 | 10mm x 28m Synthetic Rope 10K |
| ARWA011 | 11mm x 24m Synthetic Rope 12K |
| ARWA006 | ARB Winch Hook |
| ARWA005 | Hawse Fairlead Forged Aluminium |
| ARWA007 | Albright BR88-2P Contactor |
| ARWA013 | Winch Seal Kit |
| ARWA014 | Brake Assembly Kit |
| ARWA015 | ARB Winch 10K Motor & Cover Assembly |
| ARWA016 | ARB Winch 12K Motor & Cover Assembly |
| ARWA017 | ARB Winch Gearbox Assembly |
| ARWA018 | ARB Winch Clutch Handle Assembly |
| ARWA019 | Winch Fastener Kit |
| ARWA009 | Wireless 2.4Ghz Hand Controller & Receiver |
| ARWA008 | Winch Isolation Switch Kit |
| ARWA021 | Hand Controller 5M Lead |
| ARWA020 | Control Plug T-Harness 2M |
